APPLICATION AND SELECTION PROCESS

The application process for a Firefighter with the City of Kingsville is in **six (6) phases**. Listed below is a brief overview of each phase. Each phase must be successfully completed to progress to the next phase of the hiring process. ***An applicant may be disqualified from consideration during any phase.***

PHASE 1 WRITTEN EXAMINATIONS

The written examination administered is published by Stanard & Associates, Inc. The following areas will be tested: listening comprehension, reading comprehension, and mathematics. In order to pass the written examination, the applicant must score at least 70% of the total number of questions correct. **Note: Civil Service regulations require qualified Veterans, who take the written examination, receive five (5) points in addition to his/her passing grade of 70% or better.**

PHASE 2 PHYSICAL AGILITY TESTS

Applicants successfully completing Phase 1 are required to perform a physical agility test at a time and date specified. See Civil Service Rules and Regulations Appendix C.

PHASE 3 BACKGROUND INVESTIGATIONS

Applicants successfully completing Phase 2 are required to complete a detailed **Personal History Statement**. The completed statement must be submitted to the HR Office by the specified date. A thorough background investigation is conducted.

PHASE 4 INTERVIEWS

Applicants successfully completing Phase 3 may go before an Interview Board consisting of a four (4) member panel.

PHASE 5 PRE-EMPLOYMENT PSYCHOLOGICAL EVALUATIONS

Applicants successfully completing Phase 4 are scheduled for a psychological written and oral examination when vacancies arise in the department.

PHASE 6 PRE-EMPLOYMENT PHYSICAL EXAMINATIONS

Applicants successfully completing all previous phases are scheduled for a physical examination with a City authorized medical physician.

Applicants successfully completing Phases 1 and 2 are placed on an **Eligibility List**. This list is valid for one year from the date of the written examination. Candidates not hired within one-year of the exam are required to retest and go through each of the phases again when the opportunity arises.

Hiring preference may be given to those candidates on the eligibility list certified as Paramedics through the Texas Department of Health or through the National Registry of Emergency Medical Technicians.

7. Excessive record of traffic convictions or negligent traffic collisions. This is defined as:
 - A. During the three-year period preceding the date of application, convictions for more than two moving violations.
 - B. During the three-year period preceding the date of application, a driver's license suspension for driving while intoxicated, failure to carry liability insurance for any reason that would indicate poor driving behavior.
 - C. A series of negligent collisions during the three-year period preceding the date of application that would indicate poor driving behavior or habits, whether or not citations were issued.
8. History of failing to maintain financial responsibility without extenuating circumstances.
9. Discharged from the Armed Forces with a dishonorable discharge, or a general discharge indicating:
 - A. Under other than honorable conditions
 - B. Bad conduct
 - C. Dishonorable or
 - D. Any other characterization indicating bad character.
10. Member of any organization, which advocates the overthrow of a governmental agency by force or violence.
11. Resigned or been terminated from the Kingsville Fire Department within the 24 months preceding the date of application for disciplinary reasons, resigning to avoid suspension or discharge or having resigned during a disciplinary investigation without a final judgment being rendered.
12. Failing to cooperate fully with and keep all scheduled appointments with the Kingsville Fire Department personnel involved in the hiring process; failing to provide additional personal information as needed or failing to submit information updates/changes within ten (10) days of notification.

Appendix C FIRE DEPARTMENT - PHYSICAL ABILITIES TESTING (PAT)

Candidates shall be allowed to participate in a physical ability test review and practice test. The candidates shall be walked through each step of the process. The tasks shall be demonstrated, questions may be asked, and candidates are encouraged to practice any/all skills needed to accomplish the tasks. After the review has been completed, candidates shall be invited to attempt the PAT in its entirety. If the candidate successfully completes the PAT within the times allowed, the candidate shall be considered to have passed the exam and will not be required to return for a PAT at another time. Candidates that choose not to take the PAT following the review or that fail an attempt following the review, shall be invited back within approximately one (1) month to attempt the PAT again. Should a person fail to complete the PAT correctly or within the time allowed during their second offering of the PAT, the person will be considered to have failed.

* Candidates shall be required to sign a liability waiver prior to participating in a PAT.

The following tasks shall be completed in the order and maximum time frames listed.

1. **AGILITY COURSE:** Candidates shall have a maximum of one (1) minute and twenty (20) seconds in which to complete the agility course. This event shall be timed separately from all other PAT events. Omitting any step shall be grounds for disqualification. If a step is not completed properly, a five (5) second penalty shall be added to the candidate's total time for the agility course. The hose hoist shall require proper completion.
2. **BREAK:** Candidates shall be given a minimum of five (5) minutes to rest following this event.
3. **RUN:** Candidates shall run one-half (1/2) mile in four (4) minutes and thirty (30) seconds or less. This event shall be timed separately from all other PAT events.
4. **BREAK:** Candidates shall be given a minimum of five (5) minutes to rest following the run.
5. **AERIAL LADDER CLIMB:** Candidates shall climb approximately seventy-five (75) feet up an aerial ladder that is extended and positioned at approximately a sixty five (65) to seventy (70) degree climbing angle. The candidate shall wear a safety harness and be connected to a rope that is run through a pulley at the top of the ladder and held by a belay person to prevent the candidate from falling. The applicant shall be allowed up to five (5) minutes to climb from the truck turntable to the seventy (70) foot level and then return down to the turntable. The candidate must touch each ladder rung with their feet while going up and down the ladder. A candidate shall use the rungs for hand holds and not use the side rails of ladder. Time ends when the candidate's foot touches the turntable. This event shall be timed separately from other PAT events.

(Agility Course must be completed within 1 minute and 20 seconds)

Wearing an SCBA Backpack, Total Course Length 100 yds
